of the State."

"The student of the present and of the future should be left not to his own ideas of what he needs, not to the nar rowing forces of a speciality through the abuse of the optional system, but he should be so broadly cultured, and at the same time so practically informed, that when he comes out and enters upon the law, which will narrow him; upon the pulpit of his sect, which may make him to some extent a bigot; upon the journalistic career, which will develop the partisan; upon the medical or scientific course, which will develop the healthful and never ceasing influence of the broad and ageneral realization of his universal education will provent him from ever becoming completely narrow or bigoted or partisan or blind." Chancey M. Depew, in the above which we noted from a recent address. narrow or bigoted or partisan or blind." erhood of Engineers. One of the de chancey M. Depew, in the above which we quoted from a recent address of his at a college gathering, gives his idea of what a college education should be, and presumably any education for young men and women above that of the common school. The chief object of any such education; in his opinion, is to broaden the mind and not merely to help a person to get a living. We do not see why he is not right in this, as in the remaining the person to get a living. We do not see why he is not right in this, as in the remaining the remaining the common (as the accused may wish) who will see that be brings his own broad may be in the employ of the company.

Bennington Banner The tricks and unseemly devices in the engineer or fireman last referred to, the new Tariff bill, by which some of its shall, in conjunction with the Superin-

The blunder in the postal convention with Canada, which if not corrected by a change in the postal laws will give Canadian growers our market for seeds, cuttings, bulbs, etc., is another exhibition of Democratic incapacity in relation to the postal system. There will be persons wicked enough to charge that the blunder was made intentionally, to give American seedsmen a chance to test free trade, These are for ONE YEAR and to b test free trade,

The little push which has lately been made to "boom Vermont" is already bearing fruit. Letters are being received from parties in the west who wish to return east, as to Vermont farms for sale. As a sample of these we quote from the Watchman at Montpelier; "In a recent issue some reference was made to the cheapness of Vermont farms, up to date and then add the rates above, remembering the ten cents in addition if not mailed to a Vermont postoffice. These proposals in no case include the Good Cheer. If that monthly is desired add 25 cents to above rates.

Address all letters and remittances to C. A. PIERCE, Publisher, Bennington, Vt.

REPUBLICAN STATE CONVENTION

The little push which has lately been made to "boom Vermont" is already bearing from the west who wish to return east, as to Vermont farms for sale, As a sample of these we quote from the Watchman at Montpelier; "In a recent issue some reference was made to the cheapness of Vermont farms, are continued to the cost of the buildings on them. I also saw in some paper (which I have lost).

The little push which has lately been made to "boom Vermont" is already bearing frout. Letters are being receive made to "boom Vermont" is already bearing from and to rewhat the next step might be if this demand of the road, and it is vert easy to see what the next step might be if this demand what the next step might be if this demand of the road, and it is vert easy to see what the next step might be if this defined from being translated. Another demand is equally cool, It is this.

That the next step might be if this defined from the wast who wish to return east, as to Vermont farms for sale, As a sample of these we quote the whole of the which has lately been made to passe from parties in the west who wish to return east, as to Vermont farms for sale, as a sample of these we quote from the national sequally cool, It is stirtually assuming the mana, and it is very easy to what the next step might be the for the which the name and se REPUBLICAN STATE CONVENTION
